Lent: Depth Not Depression

Lent, the 40 days (and 6 Sundays) leading up to Easter, is the one of the most important seasons of the Church calendar. Beginning on Ash Wednesday (a day in which we are reminded of our own mortality), Lent is based on the 40 days Jesus spent in the wilderness being tempted by the devil. As such, Lent has traditionally included the disciplines of fasting, almsgiving, prayer, and a focus on repentance, all while keeping our eyes focused on the Cross of Good Friday.

These are wonderful traditions of great importance to the Christian life. However, many Christians have come to greet these traditions, and the whole season of Lent, begrudgingly or apathetically. This is due, in no small part, to the fact that such activities have been misused, abused, and misunderstood by many in the Church.

As such these disciplines, *fasting and repentance especially*, have become for many a burden, an annoyance, or far worse: a cause of terrible guilt and shame. This is not the purpose! Fortunately, as a professor of mine, Fr. Joseph, put it, "The Church used the guilt machine for years but it finally broke down. Thank God!"

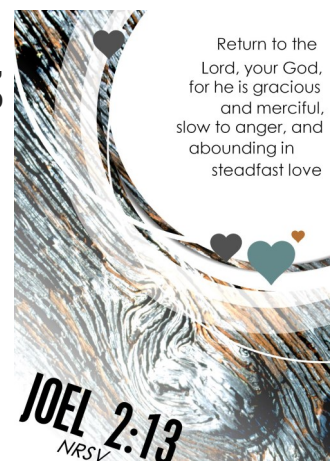

Going into Lent 2022 let us remember:

1. You don't have to do any of these things...you get to if you so choose.
2. We repent our sins and ask for God's forgiveness not to wallow in shame but because we know that our God is merciful and gracious...and yes, we can do better.
3. If we fast, we fast from things not to punish ourselves but to remind ourselves the lengths to which God in the person of Jesus Christ sacrificed for us. In fasting we imitate Christ in one way, in order to become more like him in all ways. For in doing so we can, by God's grace, we become evermore the people we are called in our Baptisms to be.

Most importantly, we look forward to the Cross not to find guilt and sadness but to see our Lord God in the true form he desired to be made known to the world, through His ultimate sacrifice, an act of unparalleled love.

This year remember we journey through Lent, not to be depressed by our faith, but to root deeper in it.

Yours in Christ, *Pastor Tony*

## Council Notes

The Church Council met on February 17<sup>th</sup>. Here are some highlights of the meeting:

The council met by both Zoom and in-person, but most were on Zoom. The first item of business was to approve continuing resolutions (CR) concerning committee structure. The CR's defined activities for constitution designated committees and set up a more informal coordinator structure for the other "committees" in the church. Being CR's, a 2/3 vote by council was required and the vote was unanimous.

Powerhouse Electric was selected to install 3 LED open can lights with new photo control at the main entrance with funds (maximum \$1500) to be drawn from capital improvements.

It was decided to have cake and cupcake refreshments supplied by the fellowship committee following the Baptisms on Sunday Feb. 27, given the covid situation in the county is quickly improving. The St. Paul Reopening group will be recalled to meet soon to define and develop plans on how to return to what may be the new normal in our hopefully post pandemic society.

It was also approved to permit a couple from outside St. Paul to have their wedding conducted here on April 23. Fees and responsibilities for cleanup were included in the discussion.

The 125<sup>th</sup> Anniversary year of St. Paul was discussed further. Congregation members are beginning to step up to coordinate and plan activities for this year with a possible event in September or October being considered.

The Annual Meeting of the Congregation was held February 27, 2022.

The business was very routine and the main item was the elections to the Congregational Council and to the Nominating committee.

Elected to council were Mary Haas and Grethe Myles and re-elected was Steven Woodruff.

In addition, Carol Henry, Sally Kirkpatrick, and Tamara Riegel were elected to the Nominating committee for the 2023 election cycle. Note that the election to the Nominating committee by the congregation is required by our constitution and is new this year.

Respectfully submitted,

Steven Woodruff

Many thanks are due to the property committee, Bill Graham and Larry Springer, who are always taking care of tasks small and large around the building. Larry especially has been taking care of small jobs and doing some straightening and cleaning.

We need your photos and memories!

This year St. Paul celebrates its 125<sup>th</sup> Anniversary as a congregation. The church history is woefully lacking in noted events since 1962 when the last history was compiled. While Council minutes are a record of church business, it's dry reading. An update is envisioned to include photos (weddings, Baptisms, socials, VBS, special projects, etc.), newspaper clippings and ephemera that has been stashed away by the congregation. The items can be recent or decades old and should include names and dates. Items can be sent to the church office or emailed digitally to [grethemyles76@mac.com](mailto:grethemyles76@mac.com).

**Moving**

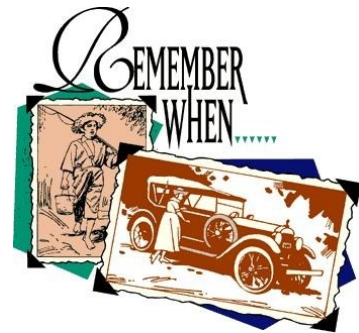

Earl and Cece Melby will move to Ohio in March, to be closer to family. They will be much missed.

Contact the church office for a new address.

**We have a duplicate confirmation class photo for 1988.**

Would anyone like to have it?

**From the Piece Makers**

February is a short month, but we have been lucky to have good weather. We gather on Fridays from 10 until 2. Please come and join us. We can use your help. People throughout the world need the quilts and receive them through Lutheran World Relief. We also remember people in our area and synod who have needs or face unexpected problems. No need to know about how to quilt to be a member as we divide the tasks and can teach you one or more of the necessary skills. Many of our past members knew nothing about quilting when they joined the Piece Makers. One of our greatest pleasures is to make quilts for those who are baptized at St. Paul.
